

Clinical Leader

Are you an experienced Psychologist who wants to make a difference with some of our most vulnerable children and young people?

Do you have the leadership skills to assist professional teams to continuously improve the quality of their clinical interventions?

From our Hamilton office you will assist the delivery of high quality clinical interventions and best practice services. You will provide expert psychological and behavioural advice and interventions including risk management and clinical assessments to young people. The role includes elements of operational management and clinical leadership and a diverse range of responsibilities including service evaluation, quality improvement initiatives, delivering training, clinical supervision, staff management cover, cultural competence initiatives, and project activities at local, regional and national levels.

Our preferred candidate will have a Master's degree in Psychology or related field and will hold registration within the governing body. Extensive (5+ years) experience operating as a clinical practitioner, experience in the application of evidence based models or residential or community programmes in particular working with adolescents with mental health and behavioural problems is preferred. Training in our evidence based models will be provided.

Youth Horizons is a specialised non-profit organisation providing therapeutic services for young people who have complex behaviour and/or mental health needs. Our innovative approach combines evidence-based models of practice along with a focus on our core values of Manaakitanga, Wairuatanga, Aroha and Whanaungatanga. Our national office is in Auckland and we have over 250 staff and caregivers supporting young people and their families and whanau across Northland, greater Auckland, Waikato, Bay of Plenty, Hawkes Bay, Lower North Island and Lower South Island.
