Exciting opportunity to mentor young people from care to independence!

Youth Horizons is a non-profit organisation providing evidence-based sustainable solutions for young people, children, family/whānau, who are at risk of poor outcomes due to complex behavioural and/or mental health needs.

Ka Awatea is a CYF funded Service, that provides 1:1 support to young people (15-19yrs) who live or have lived in care and are transitioning to independence.

Young people's participation on the programme is voluntary so developing a trusting and productive relationship is critical.

The role requires a high degree of self-motivation, empathy, good boundaries, integrity and excellence across all forms of communication. An ability to liaise with a wide range of government and community organisations is key to the role. Your existing networks and ability to work successfully with these services will be highly valued.

The following experience is required for the effective execution of this role:

- Previous experience working with young people
- Experience supporting and facilitating young people to achieve their goals
- Experience working autonomously with a high level of accountability and integrity
- Experience in using motivation strategies and strengths based approaches with young people
- A sound knowledge of community resources relating to education, employment, housing and health services
- Experience working successfully with a range of cultures
- Experience in conflict resolution
- Experience in report writing
- Experience working in a computerised office environment
- Current full, clean Drivers Licence
